One Point Lesson
IMSISO Assistance Tool
Request Credentials

Ver 1.0.0
04/11/2020
Author Federico Germani
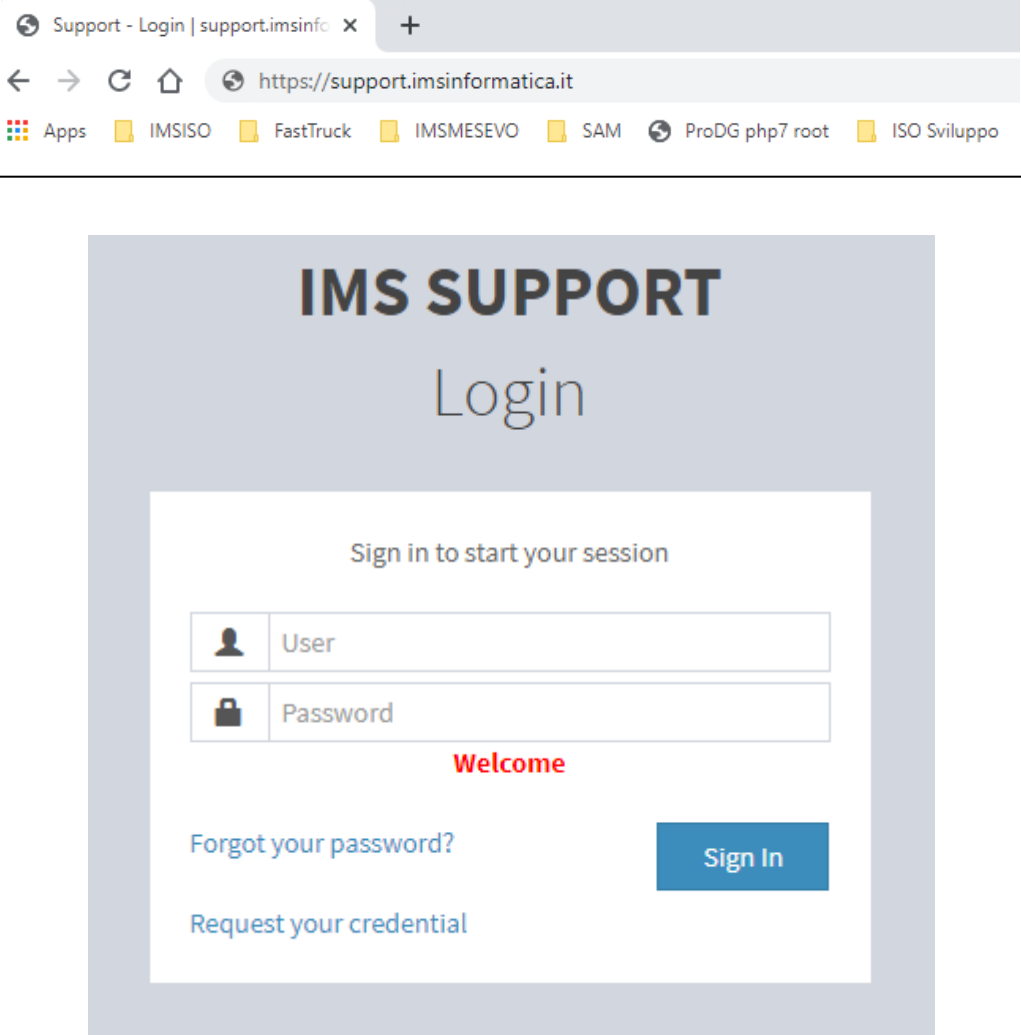

STEP 1.1 – OPEN YOUR BROWSER

1.1	Double click on your browser. The best ones are Google Chrome and Mozilla Firefox.
Result	Now you can connect to our tool.
Warning	You need an internet connection.
Exception	

STEP 1.2 – CONNECT TO THE TOOL

1.2	When you open the browser, you need to type in it the link of our tool. The link is below.
	https://support.imsinformatica.it
Result	Now you can ask for credentials.
Warning	
Exception	

STEP 1.3 – REQUEST CREDENTIALS

1.3	Select 'Request your credentials' and fill the form. When you have filled it, click the button 'Send'.
Result	You've requested for credentials. You will get an Email with your credentials.
Warning	We can decline your request, but we'll notify it by Email anyway.
Exception
